

TAMING OF THE DRAGON.
Spillman had just married a second wife. On the day after the wedding Mr. S. remarked:
"I thought, Mrs. Spillman, to change my dairy."
"You mean our dairy, my dear," replied Mrs. Spillman.
"No," said Mr. Spillman, "I intend to change my dairy."
"Say our dairy, Mr. Spillman."
"No, my dairy."
"Say our dairy, my dear," screamed the wife, seizing the paper.
"My dairy! my dairy!" yelled the husband.
"Our dairy! our dairy!" screamed the wife, emphasizing each word with a blow on the back of her crying spouse. Mr. Spillman retreated under the bed. In passing under the bedclothes his hat was brushed off. He remained under cover for several minutes, waiting for a lull in the storm. At last his wife saw him thrusting his head out at the foot of the bed, much like a turtle from its shell.
"What are you looking for?" exclaimed the lady.
"I am looking for our hat, my dear," says he.
SHOOTING HIS OWN HENS.—A person in a passion in a passion very frequently jumps at conclusions so suddenly as to jerk his own head off, as they say.
"I say, neighbor Snobs, if you don't keep your chickens out of my garden, I will shoot them."
"Very well, Doolittle, shoot away; only if you kill any of my hens throw them into my yard."
Crack went the fowling-piece morning after morning, and the large fat hens were pitched into neighbor Snob's yard. After a fortnight or more, Doolittle discovered that Snobs never had any, and that he had been shooting his own, they having broken out of his coop.

BE VIRTUOUS.—"Be virtuous and you will be happy," said a father to his son, who was leaving home to take the first year college.
"I will, dad," answered the son, "but I shall lose a devilish lot of fun."
The old man collapsed.
"Be virtuous and you will be eccentric," was the Artemus Ward way of looking at it.
"Be virtuous, fear God and keep your bowels open" is the doctor's maxim.
"Be virtuous and you will have a soft thing—on heaven" is the motto of the Young Men's Christian Association.

"Now, young people," said a professor of natural history to his class, "now then, as to hens; a hen has the capacity of laying just six hundred eggs, and no more; and she finishes the job in just about five years. Now what is to be done with her after that?" "Cut off her head and sell her for a spring chicken!" exclaimed an urchin whose father dealt in poultry.

A New York fugitive thief took refuge in a school house, introducing himself as a member of the visiting committee, and requesting a private audience with the principal. Meanwhile the crowd which had followed him searched every other part of the building without finding the rascal, who quietly departed as soon as the coast was clear.

"Patty," a lady called to a little girl who was in the parlor, "did you tell your mother that I was here?" "Yes'm," answered Patty demurely. "And what did she say?" "She said, 'Oh, that dreadful woman again!'"

A very intelligent Virginia mule, being hemmed in on a railroad track by an approaching train, jumped into a cattle guard, groined down until the cars had passed, and then jumped out and walked off as if nothing had happened.

If you want your neighbors to "know about you," give a party and don't invite the folks who live next door.

VINEGAR BITTERS
PURELY VEGETABLE
DR. WALKER'S CALIFORNIA
VINEGAR BITTERS
J. WALKER, Proprietor. R. H. McDONALD & Co., Druggists & Gen. Agents, San Francisco, Cal., and 34 Commerce Street, N. Y.
MILLIONS Bear Testimony to their Wonderful Curative Effects.
They are not a mere Fancy Drink, Made of Poor Rum, Whiskey, Proof Spirits and Refuse Liquors doctored, spiced and sweetened to please the taste. "Tonic," "Appetizer," "Bitters," &c., that lead the tippler on to drunkenness and ruin, but are a true Medicine, made from the Native Roots and Herbs of California, free from all Alcoholic Stimulants. They are the GREAT BLOOD PURIFIER and A LIFE GIVING PRINCIPLE, a perfect Renovator and Invigorator of the System, carrying off all poisonous matter and restoring the blood to a healthy condition. No person can take these Bitters according to directions and remain long unwell, provided their bones are not destroyed by mineral poison or other means, and the vital organs wasted beyond the point of repair.
They are a Gentle Purgative as well as a powerful agent in relieving Congestion or Inflammation of the Liver, and all the Visceral Organs.
FOR FEMALE COMPLAINTS, in young or old, married or single, at the dawn of womanhood or at the turn of life, these Tonic Bitters have no equal. For Inflammatory and Chronic Rheumatism and Gout, Dyspepsia or Indigestion, Malaria, Remittent and Intermittent Fevers, Discharges of the Blood, Liver, Kidneys and Bladder, these Bitters have been most successful. Such Diseases are caused by Vitiated Blood, which is generally produced by derangement of the Digestive Organs.
DYSPEPSIA OR INDIGESTION, Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Distensions, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bileous Attacks, Palpitation of the Heart, Edema, Dropsy, Rheumatism of the Limbs, Pain in the regions of the Kidneys, and a hundred other painful symptoms, are the offspring of Dyspepsia.
They invigorate the Stomach and stimulate the torpid Liver and Bowels, which render them of unequalled efficacy in cleansing the blood of all impurities, and imparting new life and vigor to the whole system.
FOR SKIN DISEASES, Eruptions, Tetter, Salt Rheum, Blotches, Spots, Pimples, Pustules, Boils, Carbuncles, Ring-Worms, Scald Head, Sore Throat, Erysipelas, Itch, Scabies, Discolorations of the Skin, Ringworms, Diseases of the Skin, of whatever name or nature, are cured by these Bitters. They cleanse the system, and drive out all impurities by the bowels. One bottle in such cases will convince the most incredulous of their curative effects.
Cleanses the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions or Bores; it cures them when they are obstructed and sluggish in the veins; it cleanses the blood, and your feelings will tell you when. Keep the blood pure, and the health of the system will follow.
Piles, Tapes, and other Worms, lurking in the system of so many thousands are effectually destroyed and removed. Says a distinguished physiologist, there is scarcely an individual upon the face of the earth whose body is exempt from the presence of worms. It is not upon the healthy elements of the body that worms exist, but upon the diseased humors and stony deposits that lodge there, breeding sickness and ultimately death. No system of Medicine, no vermifuges, no cathartics will free the system from worms like these Bitters.
J. WALKER, Proprietor. R. H. McDONALD & Co., Druggists and Gen. Agents, San Francisco, California, and 34 & 36 Commerce Street, New York.
SOLD BY ALL DRUGGISTS AND DEALERS.

SEEGER'S
UNADULTERATED ALE
LAGER BEER
LAGER BEER, CONTAINING NO RAS and ALE doctored with Salt and Alum; (see the label) and is covered in New York.
Professor Mapes of New York, analyzed the Beer from a dozen different Breweries, and all were found adulterated with various substances. It is said, that the sale of Doctored Beer, is a profitable part of the business. This is perfectly infamous. Coconuts (fish berry) nux-vomica, (dog button) from which strychnine is obtained, are some of the deleterious substances found in Beer! These are potent poisons, and the Brewer foams them up, so that they are drunk at once in one of his own vats, if any impurities should be found in his Beer.
I shall continue to make a healthy Beverage, so that it may be drunk by the most delicate without the least danger.
JOHN C. SEEGER, Charleston, S. C.

GEO. W. CARPENTER'S
COMPOUND FLUID EXTRACT OF BUCHU
These Celebrated Preparations, originally introduced by Geo. W. Carpenter, under the patronage of the medical faculty, have been so long extensively used by physicians and others, that they are generally known for their intrinsic value, and can be relied on as being most valuable remedies in all cases where Sarsaparilla or Buchu are applicable, and cannot be too highly recommended. They are prepared in a highly concentrated form, so as to render the dose small and convenient. Orders by mail or otherwise will receive prompt attention.
